Tangled - I see the Light

All those days watching from the windows
All those years outside looking in
All that time never even knowing
Just how blind I've been
**
Now I'm here, blinking in the starlight
Now I'm here, suddenly I see
Standing here, it's all so clear
I'm where I'm meant to be
**
And at last I see the light
And it's like the fog has lifted
And at last I see the light
And it's like the sky is new
**
And it's warm and real and bright
And the world has somehow shifted [...]
All at once everything looks different
Now that I see you
****
All those days chasing down a daydream
All those years living in a blur
All that time, never truly seeing
Things the way they were
**
Now she's here, shining in the starlight
Now she's here, suddenly I know
If she's here, it's crystal clear
I'm where I'm meant to go
****
And at last I see the light
And it's like the fog has lifted
And at last I see the light
And it's like the sky is new
And it's warm and real and bright
And the world has somehow shifted [***]
All at once, everything is different
Now that I see you
Now that I see you
